Brothers and Sisters In Christ,

Our time in Guatemala has been a profound journey of ministering to families and sharing the Gospel. Amidst the vibrant culture and stunning landscapes, we find ourselves immersed in the lives of the local community, offering support, guidance, and most importantly, the message of our Lord and Savior Jesus Christ. From humble homes to bustling marketplaces, we walk alongside families, sharing Jesus with anyone that will listen to us, while witnessing the transformative power of God's grace. Whether through prayer gatherings, Bible studies, or simply lending a listening ear, every interaction is an opportunity to sow seeds of faith and foster deeper connections. Our hearts are overflowed with gratitude for the privilege of serving and the enduring bonds formed with those we have the honor to ministering to in Guatemala.

We are filled with excitement and gratitude as we reflect on how abundantly God has provided for our ministry's needs. Before we even know our needs He does. We are excited to share with those of you that have not heard yet that we have purchased 5 Lots in Guatemala in which we plan to grow the ministry on. From the moment we set our vision on acquiring the property, His hand has been evident every step of the way. Through the generosity of supporters, unexpected opportunities, and miraculous interventions, we have witnessed God's provision unfold in ways we could never have imagined. Each provision, whether big or small, serves as a reminder of His faithfulness and unfailing love towards us. As we embark on this new chapter, we do so with hearts overflowing with thanksgiving, knowing that the foundation of our ministry is firmly rooted in God's provision and grace. In His timing our Vision is to have a Water Treatment Building for fresh water, Missionary Housing, and a Ministry Building for Pastor Trainings, Discipleship Trainings, Continuing Educations for Children and Adults and much more! We are actively raising money to begin the building process on the property. We know that God is faithful and in His perfect timing all of our needs will be met.

The ministry is growing as the people of the church step into leadership roles with passion and commitment. In Juan's community, there's a palpable sense of collective purpose as they gather each week, contributing offerings towards the desire of acquiring land for their own church building. Their dedication to this vision is not just about bricks and mortar but a deep desire to establish a place where they can gather in worship and fellowship altogether. Let's join them in prayer, asking for God's guidance and provision, trusting that in His perfect timing, their aspirations for a dedicated place of worship will be fulfilled.

Every week we faithfully are committed to reaching those we serve by doing home visits. These visits serve as opportunities to connect with families, to understand their needs, and to offer the hope found in Jesus. Additionally, our water program has grown significantly, now serving over 150 individuals as well as a school. Each week is an anticipation-filled journey, as we eagerly await the chance to minister and engage with these communities, forging lasting relationships grounded in faith, with the ultimate aim of guiding them towards Jesus.

We are profoundly grateful for the incredible mission teams that have joined us in our endeavors, working hand in hand to make a meaningful impact in the lives of others. Together, we've Shared the Love of Jesus, constructed homes, nourished communities, and brought joy to children through various activities. The dedication and compassion of these teams have been instrumental in sharing the Gospel and assistance to those in need. We eagerly anticipate the arrival of upcoming teams this summer and in the fall. If anyone feels called to serve with us, we invite you to reach out for more information.
